

LITHO PRINT PROCESSES – PRE-PRESS

The pre-press department is managed by Tim Heslop, Tel: +27 (0) 33 386 1313

We offer a full design service from concept to finished product.

Print-ready artwork can be submitted to us as a PDF:

- Via our FTP site
- Via an up-load link
- Via eMail
- On disc to our premises at 32 Roger de Clerck Place, Mkondeni, Pietermaritzburg.

Artwork should be sent to us with a colour mock-up proof.

On receipt of the artwork and depending on the requirements of the particular printing job, a proof may be supplied in one of the following ways:

- A high-resolution colour proof (for colour checking, text integrity and layout)
- As a low-resolution colour proof (for the checking of text and layout)
- As a soft proof via eMail (for the checking of text and layout).

Only after signed approval of the proof will we commence with print production.

CHECKING THE JOB

We encourage clients to approve their printwork on the press.
